

E. COORDINATION OF BENEFITS (COB) PRESCRIPTION DOCUMENTATION

For Coordination of Benefits (COB), the best course is to ask the pharmacy to send secondary claims directly to Scripius, which allows for easy digital processing. If you forgot to have your pharmacy submit your secondary claim to Scripius or your pharmacy was not able to submit the claim for you, use this form to submit any unpaid amounts to Scripius for possible coverage. For Scripius to process your claim, you will need to include a detailed Explanation of Benefits (EOB) from your primary insurance company or a detailed prescription receipt/history from your pharmacy. The documentation must include:

- > Pharmacy name
- > Pharmacy NABP or NPI number
- > Prescription number
- > Date of service
- > National Drug Code (NDC)
- > Quantity dispensed
- > Days' supply
- > Primary insurance name
- > Primary insurance Billing Identification Number (BIN)
- > Total amount your primary insurance paid
- > Total amount you paid to the pharmacy out of your pocket

Please enclose a copy of the documentation with this form. Without this documentation, Scripius cannot process your secondary insurance claim and reimburse you.

Prescription Reimbursement Form Instructions

Complete all of the information on the front of this form to ensure that your benefits are administered correctly and without delay. Claims must be submitted within 12 months from the date of service or the date processed by the primary insurer.

If you are submitting receipts for multiple family members, one reimbursement form is required for each person. If you are submitting only for yourself, only one form is necessary.

The information needed can be obtained from your member ID card and the pharmacy where you purchased your prescription(s).

All claims should be submitted via the following:
