

Services Requiring Preauthorization

Select Health Commercial – Idaho

EFFECTIVE JANUARY 1, 2024

For items on the list below, access [online preauthorization forms](#) (there are separate forms for medical and behavioral health services, including those related to substance use). In addition to these services, in-network providers must preauthorize other services as specified in Select Health medical policy. **Questions?** Contact Member Services at **800-538-5038**.
