

Save money by switching to Signature.

Our new SelectHealth Signature network is available for Individual and Family plan members living in the Wasatch Front (Utah, Salt Lake, Davis, and Weber counties). You can enroll beginning **November 1, 2021 for coverage on January 1, 2022**. The Signature network saves you money because the monthly premiums you pay will be less than comparable SelectHealth Value and Med plans.

Why switch now?

Some members could experience a change in Advance Premium Tax Credit (APTC) for 2022. If your APTC is lower, you will want to consider switching to a lower-cost network, such as Signature. This will help you maximize your APTC dollars.

You get the benefits you want when you switch to Signature.

Our Signature network plans include:

> Rewards of up to **\$240 per person/\$580 per family*** per year by participating in our approved wellness activities through the SelectHealth Loyalty Program.

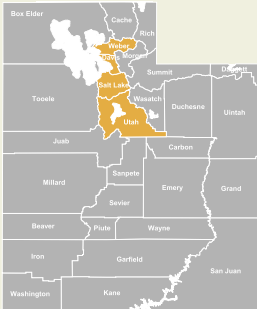

> Care from the comfort of your home with **\$0 out-of-pocket costs** for video Primary Care and Mental Health visits.

> A number of different plan options. This includes a new plan with **\$0 unlimited in-person Primary Care and Mental Health visits**, and new Copay plans with a **\$0 deductible**.

Before you switch, do a network check.

Visit selecthealth.org/findadoctor and pick “SelectHealth Signature” from the network drop-down. Check to see if the providers you and your dependents currently see are in-network on Signature. If they are, Signature may be a good option that can save you money.

The SelectHealth Signature network includes more than 5,000 providers, Intermountain Healthcare® hospitals and clinics, and InstaCare and KidsCare sites. This network is for members looking for a tightly knit group of physicians who coordinate their care with a focus on quality and patient satisfaction. Signature is the lowest-cost way SelectHealth offers to access the Intermountain Healthcare® system.

Make the switch.

It's easy to switch to Signature during Open Enrollment or through a Special Enrollment Period. Contact your SelectHealth-appointed Agent to make the change, call our Individual Sales team at **855-442-0220**, or visit selecthealth.org/feelslikehome. We're here and ready to help.
