Section 1 – Introduction

This directory provides a list of SelectHealth Advantage’s network providers. To get detailed information about your health care coverage, please see your *Evidence of Coverage (EOC)*.

You will have to choose one of our network providers listed in this directory to be your **Prietary Care Provider (PCP)**. Generally, you must get your health care services from your PCP.

Your PCP is the healthcare provider that you see to receive the care that you need to keep you healthy. He or she is usually the physician that you see most frequently and will diagnose and treat most common medical problems. Your PCP will help you coordinate all of your medical care and will communicate with specialist physicians and other healthcare providers to address your medical needs. As an in-network provider, your PCP will request prior authorization when required.

Your PCP may be any of the following provider types:

- > Family Medicine
- > Internal Medicine
- > Geriatrician

The network providers listed in this directory have agreed to provide you with your health care and vision services. You may go to any of our network providers listed in this directory. If you have been going to one network provider, you are not required to continue going to that same provider.

SelectHealth Advantage does not require members to obtain a referral to receive services that are covered by our plan. If you visit a network provider, the provider will contact us to get prior authorization.

You must use network providers except in emergency or urgent care situations. If you obtain routine care from out-of-network providers, neither Medicare nor SelectHealth Advantage will be responsible for the costs.

Billing Information

Providers generally bill SelectHealth Advantage directly for your care. We then pay the provider for you, minus the copayment or coinsurance. If you receive a bill directly from a provider, please mail the bill to the following address:

SelectHealth Advantage
P.O. Box 30196
Salt Lake City, 84130-0196

Emergency Coverage

It’s important to know you are covered and where to go when you need medical care. Our plan covers all urgent care, emergency care, and emergency hospital admissions worldwide, no matter where you go. You also get benefits for renal dialysis and access to participating retail pharmacies and lab facilities nationwide. Care provided by out-of-network providers that is not an urgent or emergency situation is **not** covered. Also,

our plan does not cover any care that is non-urgent or non-emergency care received outside of the United States.

SelectHealth Advantage 2022 Pharmacy Directory

Introduction

This booklet provides a list of SelectHealth Advantage's network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the *Evidence of Coverage* and SelectHealth Advantage's formulary.

When this pharmacy directory refers to "we," "us," or "our," it means SelectHealth. When it refers to "plan" or "our plan," it means SelectHealth Advantage.

We call the pharmacies on this list our "network pharmacies" because we have made arrangements with them to provide prescription drugs to Plan members. In most cases, your prescriptions are covered under SelectHealth Advantage only if they are filled at a network pharmacy, or through our mail order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your *Evidence of Coverage*.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. **This list is current as of June 1, 2022.** For the most current list, please contact us. Our contact information appears on the front and back cover pages.

Mail Order Pharmacy

You can get prescription drugs shipped to your home through our network mail order delivery program, which is called "Intermountain Home Delivery Pharmacy."

Intermountain Home Delivery Pharmacy
7268 So. Bingham Junction Blvd., Suite B1
Midvale, Utah 84047
855-779-3960

[IntermountainRx.org/HomeDelivery](https://www.intermountainrx.org/HomeDelivery)

For refills of your mail order prescriptions, please contact us at least 7 days before you think the drugs you have on hand will run out to make sure your next order is shipped to you in time. Typically, you should expect to receive your prescription drugs within 7 days from the time that the mail order pharmacy receives the order. If you do not receive your prescription drug(s) within this time, please contact us at **855-442-9900**. TTY users, please call 711. You may also contact the mail order pharmacy at the number listed above.

If you have questions about any of the above, please see the first and last cover pages of this directory for information on how to contact us.

SelectHealth Advantage's Network Pharmacies

Starting on the next page, you will find a list of SelectHealth Advantage in-network pharmacies. This directory is organized by type of pharmacy. Chain pharmacies are not separated out, but rather listed with retail and independent pharmacies. Pharmacies are organized by county and city in alphabetical order by pharmacy name. If you do not see your pharmacy here, contact Member Services as indicated above. They will help you find the most convenient in-network pharmacy.
