Section 1 – Introduction

This directory provides a list of Delta Dental Idaho Advantage’s network providers. To get detailed information about your healthcare and dental coverage, please see your *Evidence of Coverage (EOC)*.

The network providers listed in this directory have agreed to provide you with your dental services. You may go to any of our network providers listed in this directory. If you have been going to one network provider, you are not required to continue going to that same provider.

You are not required to obtain a referral to receive services that are covered by our plan. A network dental provider can submit a treatment plan to pre-determine your benefits prior to treatment.

Billing Information

Providers bill Delta Dental directly for your care. We then pay the provider for you, minus the copayment or coinsurance. If you receive a bill directly from a Delta Dental provider, please mail the bill to the following address:

Delta Dental
P.O. Box 2870
Boise, ID 83701

Emergency Coverage

It’s important to know you are covered and where to go when you need care. We do not cover procedures provided by a dentist who is not in the Delta Dental Idaho Advantage network, but we reimburse you up to \$50 if you have paid a non-participating dentist for procedures defined by Delta Dental as “emergency relief of pain.” Proof of payment is required.

For all other dental services, you must receive care and treatment from an in-network dental provider. If you obtain routine care from out-of-network providers, neither Medicare nor SelectHealth Advantage will be responsible for the costs.

Our plan does NOT cover any care that is non-urgent or non-emergency care received outside of the United States.

What is the service area for Delta Dental Idaho Advantage?

Our service area for dental coverage includes the Idaho counties of: Ada, Adams, Boise, Canyon, Cassia, Elmore, Gem, Gooding, Jerome, Minidoka, Owyhee, Payette, Twin Falls, Valley, and Washington.
