Section 1 – Introduction

This directory provides a list of the SelectHealth Medicare Delta Dental network providers. To get detailed information about your healthcare and dental coverage, please see your *Evidence of Coverage (EOC)*.

The network providers listed in this directory have agreed to provide you with your dental services. You may go to any of our network providers listed in this directory. If you have been going to one network provider, you are not required to continue going to that same provider.

You are required to obtain a referral to receive some services that are covered by our plan. A network dental provider can submit a treatment plan to pre-determine your benefits prior to treatment.

Billing Information

Providers bill SelectHealth directly for your care. We then pay the provider for you, minus the copayment or coinsurance. If you receive a bill directly from a provider, please mail the bill to the following address:

SelectHealth
P.O. Box 30196
Salt Lake City, 84130-0196

SelectHealth Medicare HMO members: It's important to know you are covered and where to go when you need care. For emergency or urgently needed care, you may receive covered services from out-of-network providers. For all other dental services, you must receive care and treatment from an in-network dental provider. Our plan does NOT cover any care that is non-urgent or non-emergency care received outside of the United States.

You must use network providers except in emergency or urgent care situations. If you obtain routine care from out-of-network providers, neither Medicare nor SelectHealth Medicare will be responsible for the costs.

SelectHealth Medicare PPO members: It's important to know you are covered and where to go when you need care. You may use network and out-of-network providers for all covered services. With the exception of emergency care and urgent care, it may cost more for out-of-network care and services.
