

Dear Member,

Get your Cancer Screenings Done & Earn Rewards with Select Health Share®

Our Select Health Share plan is focused on helping you stay healthy. Making sure you get cancer screenings is part of that commitment and Share wants to reward you for staying current. Our records show that you have one or more Share Cancer Screening(s) due:

- > «\$20 reward - Colorectal»
- > «\$20 reward - Breast»
- > «\$20 reward - Cervical»

Why is cancer screening important?

Early-stage cancer often doesn't show symptoms. But if you catch it quickly, it's easier to treat. Early detection reduces your risk of terminal cancer and can lead to more treatment options and better outcomes.

How do I get credit on Tasks and earn a Share Recognition Reward?

Schedule an appointment as directed below and complete the screening. A green cancer screenings card will appear on your Tasks page for each completed screening. You can earn up to one reward per calendar year for each type of screening you complete. Find details, see completions, and redeem your rewards by visiting selecthealth.org and going to the Cancer Screening card on Tasks.
