Frequently Asked Questions.

Q: Where can I use my grocery benefit?

A: You can use your grocery benefit at any approved retailer, including Walmart, Walgreens, CVS (non-Target), Rite Aid, Kroger stores, and Albertsons. To find an approved retail location near you, visit selecthealth.nationsbenefits.com, through the Benefit Pro app, or by calling NationsBenefits at 833-878-0232 (TTY: 711).

Q: How do I use my funds to pay for groceries and utilities?

A: To pay for groceries, simply swipe your card at the register of any approved retailer and select "credit" (there is no PIN). Your card can't be used to buy groceries online (except through Nations) or at the pharmacy counter.

To pay for utilities, it depends on the provider:

- If a utility provider doesn't allow debit card payment, you can pay your bill out-of-pocket and submit for reimbursement through your Nations account. Utility funds must be available at the time of reimbursement, and you must submit proof of payment with your reimbursement request.

View and manage your Healthy Grocery and Utilities purse balance.

- Call NationsBenefits at 833 878-0232 (TTY: 711)
- Log in to the **Benefits Pro** app.
- Log in to your Benefit Pro Portal online at selecthealth.nationsbenefits.com.

- If a provider doesn't accept split payments, you can make a payment with your Flex Card using your available funds, and then make an additional payment for the remaining amount with your own form of payment.
- If a provider charges a card processing fee, you will be responsible for that fee when paying with your Flex Card. If you attempt to pay a covered utility and have enough funds for the payment, but experience a decline, please contact NationsBenefits.

Q: How long do my grocery and utility funds last?

A: Grocery and utility benefit funds do not roll over, so you have until the end of the month to use them. New funds will be deposited the first day of the next month.

Q: What if I don't have a qualifying chronic health condition to unlock the Grocery + Utility benefit?

A: If you do not have a confirmed qualifying chronic condition, you will not receive the Grocery + Utility benefit.

Q: How can I learn more about the Grocery + Utility benefit and qualifying chronic health conditions?

A: Scan the QR code or visit selecthealth.org/medicare/ssbci to learn how to unlock the Grocery + Utility benefit, what qualifying conditions are eligible, how to manage your Flexible Benefits card, and more.
