If you want to change your health plan, you must call or see a Medicaid Health Program Representative (HPR) and ask if you are eligible for a health plan change. To speak with an HPR, call **866-608-9422**.

Select Health can cancel your membership if you do anything on the list below:

- You are abusive or you make threats or are violent.
- You don't follow the member responsibilities listed in this handbook.

Medical Policies

When we make a decision on coverage for care, we do not randomly deny or reduce coverage only because of a diagnosis, type of illness, or a condition you have. We make decisions based on the Utah Medicaid Coverage and Reimbursement Code Lookup.

Please note: Utah Medicaid's decision on costs for care may change at times. The Department of Health decides on how new technology is covered and how much they will cost. We use these things to make sure our decisions are fair, consistent, and correct.

Finding a Provider

WHAT IS A PRIMARY CARE PROVIDER?

A Primary Care Provider (PCP) is a doctor that you see for most of your health care needs and provides your day-to-day health care. Your PCP knows you and your medical history. With a PCP, your medical needs will be managed from one place. It is a good idea to have a PCP because they will work with us to make sure that you get the care that you need.

HOW DO I CHOOSE A PRIMARY CARE PROVIDER?

You will need to choose a PCP from our provider directory, **selecthealth.org/find-a-doctor.** The provider directory includes information about provider name, address, phone number, professional qualifications, specialty, medical school attended, and board certification status. Once you have chosen a PCP, you will need to contact Member Services and let them know. If you need help choosing a PCP, call Member Advocates at **800-515-2220**. If you have a special health care need, one of our care managers will help you choose a PCP.

HOW CAN I CHANGE MY PRIMARY CARE PROVIDER?

Call Member Services at **801-442-3234** or toll-free at **855-442-3234** if you want to change your PCP.

- Finding the closest office, doctor, or behavioral health doctor with the nearest available appointment.

- Helping you know and get the most out of your benefits.

Copayments, Copays, and Cost Sharing

WHAT ARE COPAYMENTS, COPAYS AND COST SHARING?

You may have to pay a fee for some services. This fee is called a copayment, copay, or cost sharing.

WHO DOES NOT HAVE A COPAY?

These members never have a copay:

- Alaska Natives
- American Indians
- Members on hospice care
- Members who qualify for Early and Periodic Screening, Diagnostic, and Treatment (EPSDT) benefits
- Pregnant women

WHAT SERVICES DO NOT HAVE COPAYS?

Some services that do not have copays are:

- Lab and radiology
- Family planning services
- Immunizations (shots)
- Preventive services
- Tobacco cessation services (Help quitting smoking)
- Outpatient behavioral health (mental health and substance use disorder) services

WHAT IS AN EXPLANATION OF BENEFITS (EOB)?

Any time you have a copay or get a non-covered service, we will send you an EOB. An EOB is not a bill.

An EOB shows:

- What your doctor charged for you care.
- What we paid for your care.
- Copays you paid.
- How close you are to your out-of-pocket maximums.

Always read your EOB. If you did not get services listed on the EOB, talk with Member Services.

WHEN DO I PAY COPAYS?

You may have to pay a copay if you:

- See a doctor.
- Go to the hospital for outpatient care.
- Have a planned hospital stay.
- Use the emergency room when it is not an emergency.
- Get a prescription drug.

COPAY AMOUNT CHART

Service	Copay
Emergency Room (ER)	$8 copay for non-emergency use of the ER
Inpatient Hospital	$75 copay per inpatient hospital stay (started July 1, 2017)
Pharmacy	$4 copay per prescription, up to $20 per month
Physician Visits, Podiatrist & Outpatient Hospital Services	$4 copay, up to $100 per year combined (including ophthalmologists)
Vision Services	$4 copay for ophthalmologists

WHAT IS AN OUT-OF-POCKET MAXIMUM?

Medicaid has a limit on how much you have to pay in copays. This is called an out-of-pocket maximum and applies to specific types of services and for specific time periods.

WHAT HAPPENS WHEN I REACH MY OUT-OF-POCKET MAXIMUM?

Make sure you save your receipts every time you pay your copay. Once you reach your out-of-pocket maximum, contact Medicaid at **1-866-608-9422** to help you through the process.

OUT-OF-POCKET MAXIMUM COPAYS:

- Pharmacy - $20 copay per month.
- Physician, podiatry, and outpatient hospital services - $100 copay per year* combined.

**A copay year starts in January and goes through December.*

Please note: You might not have a copay if you have other insurance, including Medicare.

For more information, please refer to the Medicaid Member Guide. To request a guide, call **1-866-608-9422**. Information is also online at **www.medicaid.utah.gov.**

WHAT SHOULD I DO IF I GET A MEDICAL BILL?

If you get a bill for services that you believe should be covered by Medicaid, call Select Health Member Services for assistance. Do not pay a bill until you talk to Select Health Member Services. You might not be reimbursed if you pay a bill on your own.

You may have to pay a medical bill if:

1. You agree (in writing) to get specific care or services not covered by Medicaid before you get the service.
2. You ask for and get services that are not covered during an appeal or Medicaid State Fair Hearing. You only pay for the services if the decision is not in your favor.
3. You do not show your Medicaid Member Card before you get services.
4. You are not eligible for Medicaid.
5. You get care from a doctor who is not with your Medicaid plan, or is not enrolled with Utah Medicaid (except for emergency services).

Choosing the Right Care

If you can, it's best to see your doctor for all nonurgent health issues. But there may be times when you need care right away and can't get in to visit your doctor. When this happens, use one of these:

Intermountain Health Answers℠

If you are not sure where to start, Intermountain Health Answers can help. A team of caring and experienced registered nurses are available 24 hours a day to listen to your concerns, answer questions, and help you decide what you need to do to feel better.

The nurses can offer home-based remedies, tell you when to see a doctor, and/or refer you to the most appropriate care. To reach Health Answers, call **844-501-6600**.

Intermountain Connect Care©

Get care for you or your child 24 hours a day, 7 days a week. Use a smartphone, tablet, or PC to talk to a real doctor whenever, wherever.

The $49 cost is covered by Community Care Medicaid. Make sure to enter your Medicaid information so you will not be charged for the visit.

This tool is best for health problems that are not urgent, such as sinus pain, stuffy and runny nose, sore throats, eye infections, and more. If the doctor feels that your health problem cannot be taken care of using this tool, they will suggest you see a doctor in person. To learn more, visit **intermountainhealthcare.org/accessing-care/telehealth/connect-care.**

Emergency Care and Urgent Care

WHAT IS AN EMERGENCY?

An emergency is a medical condition that needs to be treated right away. An emergency is when you think your life is in danger, a body part is hurt badly, or you are in great pain.

WHAT IS AN EXAMPLE OF AN EMERGENCY?

Emergencies can include:

- Poisoning
- Overdose
- Severe burns
- Chest pain
- Pregnant with bleeding and/or pain
- Bleeding that will not stop
- Heavy bleeding
- Loss of consciousness
- Suddenly not being able to move or speak
- Broken bones
- Problems breathing
- Other symptoms where you feel that your life is at risk

WHAT SHOULD I DO IF I HAVE AN EMERGENCY?

Call 911 or go to the closest emergency room.

Remember:

- Go to the emergency room only when you have a real emergency.
- If you are sick, but it is not a real emergency, call your doctor or go to an urgent care clinic.
- If you are not sure if your problem is a true emergency, call your doctor for advice.
- There is no prior authorization needed to get emergency care.
- You may use any hospital or other medical facility to obtain emergency care.

WHAT IF I HAVE QUESTIONS ABOUT POISON DANGER?

For poison, medication, or drug overdose emergencies or questions, call the Poison Control Center at **800-222-1222**. If someone is not breathing, call 911 for help.

The Poison Control Center has trained staff on duty 24/7. They can answer questions about poison emergencies and tell you what to do next.

Examples of poison emergencies:

- Chemicals on the skin or in the eyes
- Inhaled fumes after mixing chemicals together or after a gas leak
- Drug or supplement overdose
- A bad reaction to medicine

WILL I HAVE TO PAY FOR EMERGENCY CARE?

There is no copay for use of the emergency room in an emergency. A hospital that is not on your plan may ask you to pay at the time of service. If so, submit your emergency service claim to Select Health. Select Health will pay the claim. You do not need prior approval. If you use an emergency room when it is not an emergency, you will be charged a copay.

WHAT SHOULD I DO AFTER I GET EMERGENCY CARE?

Talk with your PCP about any emergency care you receive.

WHAT IS URGENT CARE?

Urgent problems usually need treatment within 24 hours. If you are not sure a problem is urgent, call your doctor or an urgent care clinic. You may also call our Nurse Phone Line at **844-501-6600.** To find an urgent care clinic, call Member Services at **801-442-3234** or toll-free at **855-442-3234** or visit our website at **selecthealth.org/plans/medicaid.**

WHEN SHOULD I USE AN URGENT CARE CLINIC?

You should use an urgent care clinic if you have one of these minor problems:

- Common cold, flu symptoms, or a sore throat
- Earache or toothache
- Back strain
- Migraine headaches
- Prescription refills or requests
- Stomach ache
- Cut or scrape

Post-Stabilization Care

WHAT IS POST-STABILIZATION CARE?

Post-stabilization care happens when you are admitted to the hospital from the emergency room. This care is covered and includes all tests and treatment until you are stable.

WHEN IS POST-STABILIZATION CARE COVERED?

Select Health covers this type of care in all hospitals. Once your condition is stable, you may be asked to transfer to a hospital on your plan.

DO I NEED PRIOR APPROVAL FOR POST-STABILIZATION CARE?

You do not need prior approval for post-stabilization care if it is received within the Select Health network.

Post-stabilization care received at an out-of-network facility does need notice and prior approval for continued care once the emergency has been stabilized.

CAN I GET EMERGENCY CARE OUTSIDE OF UTAH?

When you are outside of Utah, you are covered only for emergency care. If you have an emergency outside Utah, go to the closest ER. Show your State Medicaid ID Card.

If you need to get a prescription for your emergency, ask the drugstore if they will talk with your health plan or call the Utah Medicaid Information Line at **800-662-9651** before you get the medicine. Medicaid will not pay members back for a prescription they paid for themselves.

Call Member Services at **855-442-3234** about your emergency within 48 hours. An ER staff person can call for you. Make sure to see your PCP if you need follow-up care when you return.

CAN I GET EMERGENCY OR URGENT CARE OUTSIDE OF THE UNITED STATES?

Emergency and urgent care services are **not** covered outside of the United States.

CARE MANAGEMENT PROGRAMS FOR CHILDREN

What if my child has special healthcare needs?

Caring for a child with healthcare problems or special needs can be tough. We have care programs and nurse care managers to help you deal with these health issues.

If you have a child with special needs and want to sign up for a care program, call Care Management **800-442-5305**, weekdays, from 8:00 a.m. to 5:00 p.m.

A nurse care manager can:

- Answer your questions.
- Manage your child's care with doctors.
- Help you with your child's care needs.

Children may also need other kinds of care. Some of this care may be for physical or speech therapy, healthcare goods (such as wheelchairs), or home care. Your child's doctor will need to call Member Services for prior approval.

EYE CARE (VISION)

Do you cover eye care?

Pregnant persons, and children, can get eye tests and glasses at no cost. They can also get contact lenses at no cost with prior approval. All other members can get one eye test per year with no dollar limit, though glasses are not covered. Your plan will pay for tests and exams for eye problems if needed.

HEALTHCARE SUPPLIES

Does Select Health cover healthcare supplies?

Yes. Your doctor will need to write an order for any supplies you need. You can then have the order filled by any healthcare supplier listed on the approved provider list. Covered healthcare supplies include:

- Wheelchairs
- Prosthetic devices
- Bandages or wound care supplies
- Oxygen
- Other medically necessary supplies

HOME HEALTHCARE

What is home healthcare?

Home healthcare is for people who are ill, but the care needed is given at home instead of in a hospital or nursing home. Your doctor needs to get prior approval for this care.

Some types of care you might get in your home are:

- IV drugs
- Physical therapy
- Nursing
- Care from a home health aide
- Health supplies such as oxygen

If you need home healthcare services, talk to your doctor. If approved, you will be able to choose a home healthcare doctor from the Select Health Approved Provider List.

HOSPICE CARE

What is hospice care?

Hospice is end-of-life care. It is supportive care in the final stages of a terminal illness. Hospice care can be covered if prior approval is given. Once approved, a hospice care agency can be chosen from the Approved Provider List to give end-of-life care.

We cover lab and X-ray services that are covered by Medicaid. You can get these services in your doctor's office, or you can go to an approved clinic, lab, or hospital for these services.

SELECT HEALTH HEALTHY BEGINNINGS℠

Do you have a care program for pregnant people?

Yes, we have a program called Healthy Beginnings℠. This program works with your doctor to help you have a safe and healthy pregnancy. Once signed up, you will be able to talk to a nurse care manager who will be able to:

- Answer your questions.
- Give you emotional support.
- Help you find the right doctors.

You will get a book on pregnancy that covers the baby's growth, nursing, and more. You may also get incentives when you meet program goals. If you have questions about the program or would like to sign up, call Healthy Beginnings at **866-442-5052**.

MIDWIFE SERVICES

Certified nurse-midwives can deliver babies in the hospital. Deliveries and prenatal care at Birthing Centers are not covered. If a C-section is needed, your doctor will deliver your baby.

You can choose a certified nurse-midwife from the Approved Provider List to care for you while you are pregnant.

NEWBORN COVERAGE

Will my baby be covered?

Your baby will become a member of both Medicaid and Select Health at birth. Please call Member Services and your Medicaid case worker after the baby is born. We will need your baby's information and the doctor's name.

During the first month of your baby's life, if your baby's doctor is not on the Approved Provider List, you can change his or her health plan. If you need help finding an approved doctor for your baby, call Member Services at **855-442-3234**.

NURSING HOME CARE

What is short-term nursing home care?

Short-term care is when someone goes from a hospital to a nursing home for recovery. Select Health pays for short-term nursing home care for 30 days or fewer. Medicaid Long-term Care pays for care needed over 30 days.

A doctor must order short-term care, and you must use a nursing home on the Approved Provider List.

OVER-THE-COUNTER (OTC) DRUGS

We cover some OTC drugs. Though OTC drugs can be purchased without a prescription, you need a prescription from your doctor for Select Health to pay for OTC drugs. If you have a copay, the amount you pay for an OTC drug will count toward your monthly out-of pocket maximum.

PERSONAL CARE SERVICES

What are personal care services?

Personal Care Services help with things like bathing, eating, and dressing. These services are given by a home healthcare aide if you can't do these things alone.

Your doctor needs prior approval for these services. If approved, you can choose a home healthcare agency from the Approved Provider List to help you with your care needs.

PHYSICAL THERAPY (PT) AND OCCUPATIONAL THERAPY (OT)

These types of care need to be ordered by a doctor. You need to see a licensed therapist from the Approved Provider List. Depending on your Medicaid plan, there may be limitations on the number of OT or PT visits you can have. Call Member Services to ask about your plan benefits.

PRESCRIPTION DRUGS

Does my health plan pay for prescription drugs?

We cover select generic and name-brand drugs when prescribed by a doctor from our Approved Provider List. Some prescriptions need prior approval. If your doctor writes a prescription for a name-brand drug, it will be replaced with its generic equal unless prior approval is received.

If you do not get prior approval for a drug that needs prior approval, you will have to pay the full retail price of the drug. For more information, look at the Preferred Drug List found on our website at **selecthealth.org/pharmacy/pharmacy-benefits.**

- You must use a drugstore from the Approved Provider List.
- You must show your state Medicaid ID card.

- We will not replace lost, stolen, or ruined drugs before the refill date.
- We will only cover up to 30 days of medication.

Drugs that call for step therapy are covered only after you have tried the other treatment(s) and it didn't work. Step therapy may apply to either name-brand or generic drugs.

Some drugs will be covered by state Medicaid. They will decide which drugs are covered and what guidelines will be met before they cover them. Drugs covered by the state Medicaid agency most often fall into these categories:

- Attention Deficit Hyperactivity Disorder (ADHD)
- Antidepressants
- Antianxiety
- Anticonvulsants
- Antipsychotic
- Hemophilia factor
- Immunosuppressives

- Some cough and cold medicines
- Medicaid-covered OTC medicine prescribed by your doctor

If you have questions about your drug benefits, call Pharmacy Services at **855-442-9900** weekdays, from 7:00 a.m. to 9:00 p.m., and Saturdays, from 9:00 a.m. to 3:00 p.m.

We cover some smoking cessation products for Medicaid members. You can learn more about these products from your Quit Now coach. Talk to your doctor if you need a prescription.

Medicaid has a free support program to help pregnant women stop smoking. Please call **1-866-608-9422** for help getting these services.

These services may require prior authorization.

If you want to get care from someone outside the PMHP, you need approval from the PMHP before you get the care. If you don't, you may have to pay the doctor for the care. If you are an American Indian, you can get care from the PMHP or you can also get care from Indian healthcare doctors, the Indian Health Program, or an Urban Indian Organization. PMHPs provide behavioral healthcare in a hospital and provide outpatient mental healthcare. Covered care includes:

People with special needs can get Medicaid through waiver programs. You can only join a waiver program if you need care that is similar to the care provided in a hospital, nursing home, or care facility for the mentally challenged. If you have trouble getting in to see a specialist when you need one, call Member Advocates at **801-442-4993** or toll-free at **800-515-2220** for help.

Indian Health Service (IHS)

WHAT IS INDIAN HEALTH SERVICE?

The Indian Health Service is an agency with the Department of Health and Human Services, responsible for providing federal health services to American Indians and Alaska Natives.

If you are an American Indian or Alaska Native, make sure your status is confirmed by DWS. To contact DWS, call **1-866-435-7414**. American Indians/Alaska Natives do not have copays.

American Indian and Alaska Natives who have a managed care plan may also receive services directly from an Indian health care program. This means a program run by the Indian Health Service, by an Indian Tribe, Tribal Organization, or an Urban Indian Organization.

Prior Authorization

WHAT IS PRIOR AUTHORIZATION?

Some services must be approved by Select Health before you receive them. This approval is called prior authorization. It is important to get prior authorization before you receive the service.

If you need a service that requires prior authorization, your provider will ask Select Health for it. If approval is not given for payment of a service, you may request an appeal from Select Health . Please call Member Services at **801-442-3234** or toll-free at **855-442-3234** if you have any questions.

Restriction Program

WHAT DOES IT MEAN TO BE IN THE RESTRICTION PROGRAM?

Medicaid members who need help properly using health care services may be enrolled in the Restriction Program. Members in the Restriction Program are limited to one doctor and one main pharmacy. All medical services and prescriptions must be approved or coordinated by the member's doctor. All prescriptions must be filled by the member's main pharmacy. Ongoing use of health care services is reviewed often.

Examples of improper use of services include:

- Using the emergency room for routine care
- Seeing too many doctors
- Filling too many prescriptions for pain medications
- Getting controlled or abuse-potential drugs from more than one prescriber
- Paying cash for Medicaid covered services

We will contact you if we notice you are improperly using services.

Other Insurance

WHAT IF I HAVE OTHER HEALTH INSURANCE?

Some members have other health insurance, including Medicare, in addition to Medicaid. Your other insurance or Medicare is called primary insurance.

If you have other insurance, your primary insurance will pay first. Please bring all of your health insurance cards with you to your provider visits.

Other health insurance may affect the amount you need to pay. You may need to pay your copay at the time of service.

Please tell your doctor and us if you have other health insurance. You must also tell the Office of Recovery Services (ORS) about any other health insurance you may have. Call ORS at **801-536-8798**. This helps Medicaid and your providers know who should pay your bills. This information will not change the services you receive.

Advance Directive

WHAT IS AN ADVANCE DIRECTIVE?

An advance directive is a legal document that allows you to make choices about your health care ahead of time.

There may be a time when you are too sick to make decisions for yourself. An advance directive will make your wishes known if you cannot do it yourself.

There are four types of advance directives:

- Living Will (End of life care)
- Medical Power of Attorney
- Mental Health Power of Attorney
- Pre-Hospital Medical Care Directive (Do Not Resuscitate)

Living Will: A living will is a document that tells doctors what types of service you do or do not want if you become very sick and near death, and cannot make decisions for yourself.

Medical Power of Attorney: A Medical Power of Attorney is a document that lets you choose a person to make decisions about your health care when you cannot do it yourself.

Mental Health Power of Attorney: A Mental Health Power of Attorney names a person to make decisions about your mental health care in case you cannot make decisions on your own.

Pre-Hospital Medical Care Directive: A Pre-Hospital Medical Care Directive tells providers if you do not want certain lifesaving emergency care that you would get outside a hospital or in a hospital emergency room. It might also include care provided by other emergency response providers, such as firefighters or police officers. You must complete a special orange form. You should keep the completed orange form where it can be seen.

To find out more information on how to create one of the Advance Directives, please go to:
intermountainhealthcare.org/advanceplanning
or call **801-442-3234** or toll-free at **855-442-3234**.

You have a right to receive a Notice of Adverse Benefit Determination if one of the above occurs. If you did not receive one, contact Member Services and we will send you a notice.

WHAT HAPPENS TO MY BENEFITS DURING AN APPEAL?

Your benefits will not be stopped because you asked for an appeal. If your request for an appeal is because we reduced, suspended or stopped a service you have been getting, tell us if you want to keep getting that service. To keep your benefits from being stopped, the services you have been getting must be ordered by your provider and the date range of the original authorization must not have expired. You must call us within 10 days of the adverse benefit determination letter or the date the benefits are being stopped, whichever is later. You must also request your appeal within 60 days of the adverse benefit determination. Your provider cannot ask that your benefits continue. Only you or your authorized representative may ask that your benefits continue.

If our decision about your appeal is not in your favor and you ask for a State Fair Hearing, you can ask that your benefits continue during the State Fair Hearing process. You must call us within 10 days of the appeal decision to keep your benefits from being stopped. The benefits will continue until one of the following happens:

- You withdraw your appeal
- You do not ask for your benefits to continue within 10 days of the appeal decision, unless you asked for the State Fair Hearing within the 10-day timeframe
- The State Fair Hearing office issues a final adverse benefit determination.

You may have to pay for the service if the appeal decision is not in your favor.

WHAT IS A STATE FAIR HEARING?

A State Fair Hearing is a hearing with the State Medicaid agency about your appeal. You, your authorized representative, or your provider, can ask for a State Fair Hearing. When we tell you about our decision on your appeal request, we will tell you how to ask for a State Fair Hearing if you do not agree with our decision. We will also give you the form to Request a State Fair Hearing to send to Medicaid.

HOW DO I REQUEST A STATE FAIR HEARING?

If you or your provider are unhappy with our appeal decision, you may submit to Medicaid the form to Request a State Fair Hearing. The form must be sent to Medicaid within 120 calendar days of our appeal decision.

WHAT IS A GRIEVANCE?

A grievance is a complaint about anything other than an adverse benefit determination. You have the right to file a grievance. This gives you a chance to tell us about your concerns.

- Have a medical reason for the transportation

CAN I GET A SERVICE THAT IS NOT ON THIS LIST?

Generally, Medicaid does not pay for non-covered services. However, there are some exceptions:

- Reconstructive procedures following disfigurement caused by trauma or medically necessary surgery
- Reconstructive procedures to correct serious functional impairments (for example, inability to swallow)
- When performing the procedure is more cost effective for the Medicaid program than other alternatives
- Members who qualify for EPSDT may obtain services which are medically necessary but are not typically covered

If you would like to request an exception for a non-covered service, you can make that request by calling Member Services at **801-442-3234** or toll-free at **855-442-3234**.

WHAT IF I CHANGE HEALTH PLANS?

We will work with your new health plan to make sure you get the services that you need. We follow Medicaid's guidelines on how to do this. These guidelines are called transition of care guidelines.
They can be found at **medicaid.utah.gov/managed-care/.**
