# Introduction

This directory is a list of participating providers and facilities—use it to find those participating on your Select Health® plan. You can also determine whether a provider is a Primary Care Provider (PCP), a Secondary Care Provider (SCP), or an Ancillary Provider. Search the online directory at [selecthealth.org/findadoctor](https://selecthealth.org/findadoctor).

## How to read this directory.

### SECTION HEADINGS

Each large, bold heading indicates the general category of providers in that section. For example: Primary Care Physicians (PCPs), Secondary Care Physicians (SCPs), and Ancillary Providers.

### DETAILED INFORMATION

Providers are sorted by specialty, county, and last name under each section heading. Detailed information about each provider includes:

- Accepting new patients status
- Office address
- Office phone number
- Office website

### FOOTNOTES

The footnotes at the bottom of a page explain the symbols that may appear next to a provider's name.

### PRIMARY CARE PROVIDER/PHYSICIAN

A Primary Care Provider (PCP) is a doctor who sees patients for common medical problems, performs routine exams, and helps prevent or treat illness. We recommend you choose a PCP. Seeing the same doctor for most visits will help you establish a relationship that can improve your healthcare.

The providers—and their physician's assistants and nurse practitioners—who are considered PCPs are:

- Family Practitioners
- General Practitioners
- Internal Medicine Doctors

- Obstetricians and Gynecologists (OB/GYN)
- Pediatricians

PCPs are typically available by phone 24 hours a day, seven days a week for urgent and emergency medical situations.

### SECONDARY CARE PROVIDER/PHYSICIAN

Any doctor who is not considered a PCP is an SCP. Here are some examples of SCPs:

- Cardiologists
- Dermatologists
- Neurologists
- Ophthalmologists
- Orthopedic Surgeons
- Otolaryngologists (Ear, Nose, and Throat or ENT)

You do not need a referral from your PCP to make an appointment with an SCP.

### MENTAL HEALTH PROVIDERS

Mental health providers are psychiatrists, psychologists, and social workers who provide counseling. You don't need a referral to see a mental health provider.

### NETWORK TRANSPARENCY

We regularly monitor the practice location of providers contracted on our networks against where our members live and work to ensure that members have primary care physicians, mental health physicians, specialty physicians, and hospitals within reasonable traveling distance. We evaluate these providers based on member feedback, member experience, clinical quality measures, and appropriate use of healthcare resources. For more information on network transparency, visit the "Find a Doctor" page at [selecthealth.org/findadoctor](https://selecthealth.org/findadoctor).

## FINDING A PARTICIPATING PROVIDER OR FACILITY

Use these resources to find in-network providers or facilities.

### SELECT HEALTH MEMBER ADVOCATES®

Member AdvocatesSM can help you find the right provider for your needs. They can also:

- Schedule an appointment, including care for urgent conditions
- Find the closest facility, doctor, or mental health provider with the soonest available appointment
- Provide information about a doctor such as age, training certifications, and languages spoken

Call Member Advocates at **800-515-2220** weekdays, from 7:00 a.m. to 8:00 p.m., and Saturdays, from 9:00 a.m. to 2:00 p.m.

### ONLINE PROVIDER, FACILITY SEARCH, AND MOBILE APP

The online provider and facility search gives you fast, convenient information about providers participating on your plan. The most current list of providers is available at **selecthealth.org**. You can search using any of these criteria:

#### PROVIDER INFORMATION

- Board certification
- Gender
- Location
- Hospital affiliations
- Languages spoken by the practitioner or clinical staff
- Medical group affiliations
- Office hours

#### FACILITY INFORMATION

- Facility type
- Location
- Plans accepted

## PROVIDER QUALITY AND PATIENT SATISFACTION RATINGS

If you'd like to know more before you choose a doctor, review our clinic quality scores and patient satisfaction ratings. These ratings are based on the treatment a clinic delivers and results from an annual member satisfaction survey. Ratings are not available for all clinics. Clinics must have 30 or more completed surveys for their results to appear.

To find these ratings, use our online provider search. Search for a family medicine, internal medicine, or pediatric provider and click on "Satisfaction and Quality Ratings" in the doctor's profile. If a ratings link does not appear, data is not available for that provider.

### INTERMOUNTAIN CONNECT CARE

Under the weather? We can help you get over it. Intermountain Connect Care® is a fast, convenient way to talk to a provider about urgent medical issues. Use your smartphone, tablet, or computer to connect to a provider within minutes. It's easier than you may think—download the app or visit **intermountainconnectcare.org** to get started. The providers at Connect Care can help you with:

- Cough
- Ear pain
- Eye infection
- Joint pain/strain
- Lower back pain
- Minor burns/rashes/skin infections
- Sinus pain/pressure
- Seasonal allergies
- Sore throat
- Urinary pain
