This directory is current as of April 1st, 2025.

This directory provides a list of HRI Dental network providers for your plans covered dental services.

This directory is for the service area listed on the cover page.

The network may change at any time. This directory is also not a complete list of network providers available to you. You can search a complete list of your plan's dental providers online at insuringsmiles.com/selectthehealth.

For any questions about the information contained in this directory, please call Member Services at 833-203-1176, Monday – Friday, 8 a.m. – 8 p.m (EST). TTY users should 711.

To request a hard copy of this provider directory, please call Member Services at the number listed above. We will mail a hard copy of the provider directory to you within three (3) business days of your request. We may ask whether your request for a hard copy is a one-time request or if you are requesting to receive the provider directory in hard copy permanently. If you request it, your request for hard copies of the directory remains until you leave your plan or request that hard copies be discontinued.
