Select Health is an HMO, PPO, SNP plan sponsor with a Medicare contract. Enrollment in Select Health Medicare depends on contract renewal. Out-of-network/non-contracted providers are under no obligation to treat Plan members, except in emergency situations. Please call our customer service number or see your Evidence of Coverage for more information, including the cost-sharing that applies to out-of-network services.

Select Health Medicare + Kroger pharmacy network includes limited lower-cost, preferred pharmacies in Ada, Canyon, Cassia, and Twin Falls counties in Idaho. The lower costs advertised in our plan materials for these pharmacies may not be available at the pharmacy you use. For up-to-date information about our network pharmacies, including whether there are any lower-cost preferred pharmacies in your area, please call **800-442-9900 (TTY:711)** or consult the online pharmacy directory at [selecthealth.org/medicare/pharmacy](https://selecthealth.org/medicare/pharmacy).

## Introduction

This booklet provides a list of Select Health Medicare network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the ***Evidence of Coverage*** and Select Health Medicare's formulary.

When this pharmacy directory refers to "we," "us," or "our," it means Select Health. When it refers to "plan" or "our plan," it means Select Health Medicare.

We call the pharmacies on this list our "network pharmacies" because we have made arrangements with them to provide prescription drugs to Plan members. In most cases, your prescriptions are covered under Select Health Medicare only if they are filled at a network pharmacy, or through our mail order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your ***Evidence of Coverage***.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. **This list is current as of September 1, 2024.** For the most current list, please contact us. Our contact information appears on the front and back cover pages.

## Preferred Pharmacies

You can go to all the pharmacies on this list, but your costs for some drugs may be less at pharmacies in this list that offer preferred cost sharing. We have marked these pharmacies with  **Kroger** to distinguish them from other pharmacies in our network that offer standard cost sharing.

## Mail Order Pharmacy

You can get prescription drugs shipped to your home through our network mail order delivery program, which is called "Intermountain Home Delivery Pharmacy."

Intermountain Home Delivery  
Pharmacy 7268 So. Bingham Junction  
Blvd., Suite B1 Midvale, Utah 84047  
855-779-3960

## **IntermountainRx.org/HomeDelivery**

For refills of your mail order prescriptions, please contact us at least 7 days before you think the drugs you have on hand will run out to make sure your next order is shipped to you in time. Typically, you should expect to receive your prescription drugs within 7 days from the time that the mail order pharmacy receives the order. If you do not receive your prescription drug(s) within this time, please contact us at **855-442-9900**. TTY users, please call **711**. You may also contact the mail order pharmacy at the number listed above.

If you have questions about any of the above, please see the first and last cover pages of this directory for information on how to contact us.

## **Select Health Medicare’s Network Pharmacies**

Starting on the next page, you will find a list of Select Health Medicare in-network pharmacies. This directory is organized by state and type of pharmacy. Chain pharmacies are not separated out, but rather listed with retail and independent pharmacies. Pharmacies are organized by state, county, and city in alphabetical order by pharmacy name. If you do not see your pharmacy here, contact Member Services as indicated above. They will help you find the most convenient in-network pharmacy. Here is an example of how a pharmacy would be listed:
