Select Health Secure Provider Tools: Login Application

INSTRUCTIONS: Complete this form to request access to secure Select Health information, including the **Provider Benefit Tool** for member information such as claims status, member eligibility, and plan information; **CareAffiliate®** to view and submit preauthorization data; **Reports** to review quality improvement, medical home, and population health reports.

Once you complete the form, email this application to **providerwebservices@selecthealth.org**.

Questions? Include them in your email, or call Provider Development at **800-538-5054, Option 2**.

REQUIRED: The **Select Health Information Technology Service Agreement (ITSA)** must also be submitted before you can access our tools. If you have previously signed the ITSA, you do not need to submit a new ITSA with this application.
