# Select Health Medicare Summary of benefits.

The Summary of Benefits is meant to help you understand what we cover and what you pay. It doesn't list every service we cover or every limitation or exclusion. To get a complete list of services we cover, call and ask for the "Evidence of Coverage."

## Who can join Select Health Medicare (HMO)?

To join, you must be enrolled in Medicare Part A and Part B and live in one of our service areas.

The following Nevada counties are included in our service areas: Clark and Nye counties.

#### What is an HMO?

An HMO Medicare Advantage plan has an established network of doctors, providers, and hospitals where you must get your care, except for emergency care and out-of-area urgent care.

#### Which doctors, hospitals, and pharmacies can I use?

Our plans are on the Select Health Medicare network. It includes a wide variety of doctors, hospitals, pharmacies, and other providers. If you use providers that are not in our network, and it's not urgent or emergency care, your plan may not pay for these services. You can see our most up-to-date provider and pharmacy directories on our website, selecthealth.org/medicare. Or, call us and we will send you a copy of the directories.

#### Important message about what you pay for vaccines:

Our plan covers most Part D vaccines at no cost to you.

For coverage and costs of Original Medicare, look in your current "Medicare & You" handbook. View it online at **medicare.gov** or get a copy by calling 1-800-MEDICARE (1-800-633-4227), 7 days a week, 24 hours a day. TTY users should call 1-877-486-2048.

#### YOUR PRESCRIPTION BENEFITS

#### Select Health Medicare + Kroger (HMO) 021

The below cost-sharing table shows what you will pay for your prescription in the Initial Coverage Stage. There is no pharmacy deductible on this plan.

During the initial coverage stage, you pay your copay, and we pay the rest. You stay in this stage until your year-to-date total drug costs reach the yearly \$2,000 out-of-pocket cost set by Medicare. Once you reach this amount, you will move to the catastrophic stage.

During the catastrophic stage, the plan pays the full cost for your covered drugs. You stay in this stage for the rest of the calendar year through December 31. You pay nothing.
